SHOTOKAN KARATE VIDEOS

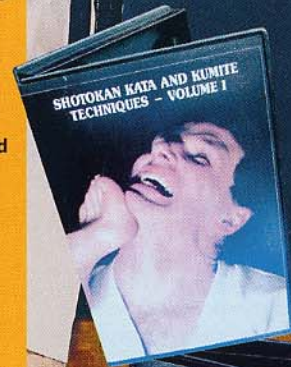

These Shotokan Karate videos were produced in 1985. They have proved a valuable learning aid for many students in their progress from beginner to Black Belt and beyond: although there have been some small changes in the Katas they will continue to do so. All the Katas are performed in a way that will aid observation and are an ideal way to supplement dojo training.

VOLUME I contains the following Shotokan Katas: KIHON KATA, HEIAN SHODAN, HEIAN NIDAN, HEIAN SANDAN, HEIAN YONDAN and HEIAN GODAN, TEKKI SHODAN, TEKKI NIDAN and TEKKI SANDAN. BASSAI DAI, KANKU DAI, ENPI, JION and HANGETSU

In addition, the Instructors perform and explain the following basic and advanced Kumite training methods: GOHON KUMITE (Five-step sparring) KIHON IPPON KUMITE (Basic one-step sparring) JIYU IPPON KUMITE (Semi Free-style sparring) KAISHI IPPON KUMITE (Reaction sparring) JIYU KUMITE (Free-style sparring)

THESE COURSES WERE DEVISED BY FORMER KUGB INTERNATIONAL COMPETITORS AS A WAY OF PASSING ON THEIR VAST WEALTH OF KNOWLEDGE AND EXPERIENCE - WHICH IS THE ORIGIN OF THE TITLE 'TRAIN WITH THE CHAMPIONS'. THE FIRST COURSE TOOK PLACE AT LANCASTER IN AUGUST 1981, AND THE KARATE SUMMER SCHOOL HAS CONTINUED THERE EVER SINCE. THE SPRING COURSE WAS ADDED IN 1985.

Students come from all parts of the British Isles and every continent, which adds an International flavour, and provides a great opportunity to exchange ideas with Karateka from other parts of the World.

Course costs have always been kept low and represent excellent value-for-money. Self-catering allows the individual to decide when and where they eat, and just as importantly, how much to spend. (Kids Camps provide meals, supervision and many extra activities.

Emphasis is placed on the correct learning and development of the fundamentals of Kihon, Kata and Kumite. There is training in the use of the Bo (Japanese Fighting Staff) by guest weapons expert, Ian Maclaren, as well as instruction in supplementary subjects such as fitness. Classes will be divided into groups in accordance with grades, so nobody should find themselves unable to cope. Those who attend a week's course benefit not just through increased knowledge, but will feel fitter and more confident in their future training.

There will also be the opportunity for KUGB black belts to be assessed at the courses for an Instructor Qualification.

THE SPRING KARATE COURSE AND KARATE KIDS' SPRING CAMP, PAIGNTON April 9th-14th

The course timetable will allow you plenty of time to enjoy both sea and country, and we will provide help and information on what's on and where. The accommodation for

the Spring Karate Course is self-catering with all the main facilities such as bed-linen, cooking and eating utensils, gas and electricity, being provided free of charge. The homes have
